Document cited in the International Search Report:

D1: US 4896838 A

The cited document represents the general state of the art.

The invention defined in claims 1-15 is not disclosed by this document.

The cited prior art does not give any indication that would lead a person skilled in the art to the claimed member for holding a wear part of a crusher. Therefore, the claimed invention is not obvious to a person skilled in the art.

Accordingly, the invention defined in claims 1-15 is novel and is considered to involve an inventive step.

The invention is industrially applicable.
